General Note - Buyer Respond Via SMS - Hi Frank, sorry for late message, I've been on the road for work. I had a chat with Deepali last night and we've decided not to go ahead with an offer on 58 Macleay. Thanks for the offer to do some quotes but in the end we agreed there is too much involved for us. Appreciate your help.

General Note - Email Sent to Buyer - Hi Mitch, Thank you for your ongoing interest in the property at 58 MacLeay Street, Turner ACT 2612. To help us provide some indicative pricing, could you please send me a list of the items or works you would like completed? The more detail you can provide, the more accurately we can estimate the likely costs. Once I receive your list, I can review it and provide some preliminary pricing guidance to help you assess the feasibility of the project. If you have any plans, sketches, photos, or other documentation, please feel free to include those as well. I look forward to hearing from you. Kind regards, Frank Walmsley 0400 44 66 05

General Note - Buyer Responded Via SMS. Hi Maya, sorry I missed your call earlier today. We have actually purchased a property so are no longer on the hunt. I appreciate you following up though! Kind regards, Laura - Maya

General Note - Buyer Respond Via SMS - Hi Frank, thank you sending those through. Will there be any open homes in the next week? The advertised price is at the upper limits of our budget but we are keen to have a look as we've just sold our townhouse and looking to buy three bedroom single storey, standalone in the inner north suburbs. Is this a standalone or a duplex? Thanks, Laura Demamiel

General Note - Lives in unit 500 meters away - Rebecca is a single lady from North Caulfield who likes to entertain. Her friend has uses a wheelchair and she would like to know how we could modify it to put ramps in. I've offered her a free design online. Her situation is that she will need to sell two units and would want an extended settlement. She basically told me. she has preapproval to 1.7 and they might be able to get extra funds to buy this from her parents. We have a similar connection with the Rabi at Shabad House. Ongoing interest but I'm frightened that she won't be able to get to 1.8+.

General Note - Response From Buyer - Michael was very interested, ideally looking for 4 beds, one as office, but so little available online the inner north at this price point. Previously owned in Downer. Wife would need an office and they thought the room with fireplace might work. They said reserve was the top of their budget. I encouraged them to come on auction day as it was a realistic price for the day.

General Note - Ruled out because of common wall Pros - Great location - renovations are great Cons - the common wall connects and we want to build a new home. I explained that they don't need the permission of the neighbour to build two townhouses. They have still ruled it out. I explained that they can do this and provided the guide.

General Note - needs to put her house on the market in bowral - Lynn still interested in the property. She needs to put her home on the market is going to happen in the next two weeks so I don't see any urgency. Her primary concerns were around loose fill asbestos insulation and I explained that there isn't any that there is bonded asbestos in the eaves and she's now aware of . Her other concern was about the condition of the tenant at home next door and I explained the situation there Yeah I think so. I offered for her to come and stay and stay at night but she said that she's too committed with work as she's a doctor I feel like as soon as she gets this on the market

General Note - strong - Selling in Baral late 60s early 70s. Asked about deposits asked about extended settlement doesn't like the black Kitchen came with her friend who is from. yarrauluma what she really liked about it was that it wasn't too big. She really liked the gardens and commented on why they hadn't put in a north facing window. She commented that if she had extra dollars she might put a new window in and convert deducted electric like one of the other buyers. She really likes Bridge ironically and that's one of the main reason she relocating that in the cold weather very strong prospect may not be able to exchange at auction but is open to a 5% deposit in a longer settlement.

Phone Call - Inbound - Still - We were not thinking about Turner when we initially inquired. what I like about

the home is its character. however what's turning me off is all of the RZ4 buildings around. We'll have a much better idea of the home once our property goes to auction this weekend it's still of a interest to us but we won't be paying 1.95 stop that's because our budget was more for O'connor not turner. Frank. A few - the location the RZ4. Price, I think \$1.95

General Note - Intro Email Sent - Initial Enquiry Email Send to Buyer

General Note - just sold and renting in Oconnor - Really likes the layout bit worried about the condition of noise close to the street. Her husband and her daughter are looking now to buy. They might be able to exchange at auction but they're waiting on bridging finance. Major concerns are the lack of ducted heating but we're going to organise a quote. Doesn't like the colours in the kitchen but can live with a black Kitchen. She likes the open plan and the main room with the vaulted ceilings is keen for an inspection on Sunday and even though it's not open I'll be happy to run her husband through.

General Note - Buyer Respond Via SMS - Hi Frank, sorry for late message, I've been on the road for work. I had a chat with Deepali last night and we've decided not to go ahead with an offer on 58 Macleay. Thanks for the offer to do some quotes but in the end we agreed there is too much involved for us. Appreciate your help.

General Note - Email Sent to Buyer - Hi Mitch, Thank you for your ongoing interest in the property at 58 MacLeay Street, Turner ACT 2612. To help us provide some indicative pricing, could you please send me a list of the items or works you would like completed? The more detail you can provide, the more accurately we can estimate the likely costs. Once I receive your list, I can review it and provide some preliminary pricing guidance to help you assess the feasibility of the project. If you have any plans, sketches, photos, or other documentation, please feel free to include those as well. I look forward to hearing from you. Kind regards, Frank Walmsley 0400 44 66 05

General Note - Lives in unit 500 meters away - Rebecca is a single lady from North Caulfield who likes to entertain. Her friend has uses a wheelchair and she would like to know how we could modify it to put ramps in. I've offered her a free design online. Her situation is that she will need to sell two units and would want an extended settlement. She basically told me. she has preapproval to 1.7 and they might be able to get extra funds to buy this from her parents. We have a similar connection with the Rabi at Shabad House. Ongoing interest but I'm frightened that she won't be able to get to 1.8+.

General Note - Response From Buyer - Michael was very interested, ideally looking for 4 beds, one as office, but so little available online the inner north at this price point. Previously owned in Downer. Wife would need an office and they thought the room with fireplace might work. They said reserve was the top of their budget. I encouraged them to come on auction day as it was a realistic price for the day.

General Note - needs to put her house on the market in bowral - Lynn still interested in the property. She needs to put her home on the market is going to happen in the next two weeks so I don't see any urgency. Her primary concerns were around loose fill asbestos insulation and I explained that there isn't any that there is bonded asbestos in the eaves and she's now aware of . Her other concern was about the condition of the tenant at home next door and I explained the situation there Yeah I think so. I offered for her to come and stay and stay at night but she said that she's too committed with work as she's a doctor I feel like as soon as she gets this on the market

General Note - strong - Selling in Baral late 60s early 70s. Asked about deposits asked about extended settlement doesn't like the black Kitchen came with her friend who is from. yarrauluma what she really liked about it was that it wasn't too big. She really liked the gardens and commented on why they hadn't put in a north facing window. She commented that if she had extra dollars she might put a new window in and convert deducted electric like one of the other buyers. She really likes Bridge ironically and that's one of the main reason she relocating that in the cold weather very strong prospect may not be able to exchange at auction but is open to a 5% deposit in a longer settlement.

Phone Call - Inbound - Still - We were not thinking about Turner when we initially inquired. what I like about the home is its character. however what's turning me off is all of the RZ4 buildings around. We'll have a much better idea of the home once our property goes to auction this weekend it's still of a interest to us but we won't be paying 1.95 stop that's because our budget was more for O'connor not turner. Frank. A few - the location the RZ4. Price, I think \$1.95

General Note - just sold and renting in Oconnor - Really likes the layout bit worried about the condition of noise close to the street. Her husband and her daughter are looking now to buy. They might be able to exchange at auction but they're waiting on bridging finance. Major concerns are the lack of ducted heating but we're going to organise a quote. Doesn't like the colours in the kitchen but can live with a black Kitchen. She likes the open plan and the main room with the vaulted ceilings is keen for an inspection on Sunday and even though it's not open I'll be happy to run her husband through.
