Shayoni enquired with us at 80 Dalley Crescent but is looking in early stages of investment. She has just sold her other investment property and is mortgage free on her assets so doesn't have a set budget but is in a strong borrowing space. Have described Monash and Queanbeyan comign to market soon and she is very interested in both as I mentioned they are in better aesthetic/cosmetic state. Will send her all relevant documents once we have them. She would be interested to meet with Frank about Buyers Agent Canberra to see what property she can get the best return. Mentioned that monash secondary can be sold off or rented for just over \$450 per week. - Maya - 18-05-2026
