Buter Re-enquired - Hi, I would like to know more about this business

Sun 16 Aug 2026

General Note - Intro Email , Deed and Documents Email Sent - Initial Enquiry Email
Deed Link and Documents Sent to Buyer

Dave Fitz - Active

Tue 1 Sep 2026	Thanks Maya and Frank, Can you please request the following items from Rea and confirm for me point 4. We just need to cross check numbers in the profit and loss statements. 1. Copies of the quarterly BAS's for the period 1st of July 2023 to 30th of June 2025. 2. A copy of the last lodged iCare workers compensation wages declaration. 3. Payroll Activity reports for all employees for the 2024 and 2025 financial years. 4. Confirmation that the café and apartment are on the same land title. Dave
Tue 1 Sep 2026	Hi Dave and Fay! We have just sent this sales advice to Firmin Kwong our solicitor, he will prepare the details and pass this onto Paul as soon as he is ready. Please let me know if I have captured anything incorrectly. Firmin is quite efficient so we should have this back in the following day or so. Kind Regards, Maya
Tue 1 Sep 2026	Maya my colleague will put together the sales advice - Frank
Tue 1 Sep 2026	Thank you Frank. This all sits well with Fay and myself. Could you please send through the updated contract so we can pass through to our solicitor and broker. Dave
Tue 1 Sep 2026	Dave, Our position is straightforward and is intended to give everyone clarity and a genuine incentive to complete the transaction promptly. If settlement of the Merino Café sale occurs on or before 30 November 2026, we are prepared to accept a purchase price of \$890,000. If settlement occurs after 30 November 2026, the purchase price will be \$925,000. In effect, we are offering a \$35,000 early-settlement incentive to recognise the value to us of achieving certainty and completing the transaction within the agreed timeframe. We think this gives the purchasers a meaningful incentive to progress their finance, valuation and other requirements promptly, while also giving both parties absolute clarity about the commercial position. Frank
Mon 31 Aug 2026	Thanks Frank, We believe this is a fair offer and where we feel comfortable, and would like you to proceed with presenting it to the vendor for consideration. Dave and Fay
Mon 31 Aug 2026	If I asked her to drop from \$1050. To \$925k could you make that work? Thank you - Frank
Mon 31 Aug 2026	Hi Maya, Our solicitor is Paul Scara. Contact information: admin@paulscara.com.au 0412 405 435
Mon 31 Aug 2026	Thank you Dave and Fay, Can you please suggest who your elected solicitor will be so that i can add this information to the proposed sales advice. - Maya
Mon 31 Aug 2026	Very good. Ill discuss with her and thanks again - Frank
Mon 31 Aug 2026	Thanks Frank, We understand we have come in under the asking price, however do believe it is a fair market offer to pass on to Rea if she so chooses to proceed with the

sale. If the vendor accepts, our pathway to exchange is to have my solicitor review the contract within 3 days, with finance being finalised within 7 days. Due to the complexity of the settlement and transfer we would request a 75 day settlement period where Rea carries on the business in ordinary course. Under the assumption that all the above gets finalised and contracts exchanged within the next two weeks we would be aiming for a hadnover date around the 30th of November. Thanks, Dave

Mon 31 Aug 2026

Dave and Fay, Thanks - I will speak to the vendor is about \$160 k below the asking price. But I am grateful reagrdless. What she will want to know is your pathway to exchange and settlement - the day you take over. Thanks - Frank

Mon 31 Aug 2026

Hi Frank, Thanks for the chat earlier, and as expressed we are prepared to make an offer for the building and business/cafe at \$890,000. This offer is subject to our final review of contracts from our solicitor, financial approval from our lenders and a building/pest report. This includes an evaluation of the Building/Property from our lender to confirm your valuation of the asset. This offer reflects a breakdown as below. Building Asset- \$750,000. Asset List provided at 50% to reflect true value and not full replacement value- \$38,228. Good Will/Business- \$101,772.00. Chat soon. Dave & Fay.

Wed 26 Aug 2026

Hi Maya, Thank you for all the additional information. I'll go through it this evening. Sunday works good for my wife and I. Can we say 11:15 for the meet up? I'll just be coming up from Sydney. Thanks again and chat soon. Dave

Tue 25 Aug 2026

Hi Dave! Please let me know if I have missed anything at all. I have a lot of information for you. Firstly for this Sunday - Rea has been able to confirm that there will be an Airbnb handover she will be able to walk you through upstairs. Noting that Sundays are usually the business days for her, 11am should fit right before the lunch rush and she would have some time to help you through! Other notes she has given: 1.My account is unable to pull out sales and wages individually as Dave has requested, but has attached profit and loss for 2024 and 2025 that show monthly figures for both. 2.The cafe was closed June 2024, July 2024 and August 2024. This is when new flooring was installed. Wages were higher I'm presuming that year I had an addition staff employed. 3.The cafe switched to a 4 day work week on Monday 18th August 2025 and recommenced trading 7 days a week on Saturday 30th May 2026. 4.I did not take a wage in any financial years. 5.Regarding his request for the Airbnb income: The Airbnb accommodation is not included as a part of the cafe business sale and operates separately to the cafe. Therefore, any income generated from the Airbnb is not included in the cafe sales, turnover or financial figures provided for the business. The cafe financial information supplied relates solely to the operation of the cafe. 6.Milk below. 7.Beans attached. 8.financials '26 received today, attached. 9.product breakdown attached for 23-25! Kind Regards, - Maya

Thu 20 Aug 2026

Thank you Frank, We are coming down to the area next Sunday and will want to have a look at the cafe on the Sunday or Monday. Due to the complex nature of the transaction I would feel most comfortable with a 75 day settlement post contract signing to allow for a smooth transition. With reasonable due diligence this would sit us mid-late November pending a successful visit and agreeable purchase price if contracts were exchanged in the week after our visit. Would this sit comfortably with Rea? - Dave

Thu 20 Aug 2026

David, We will log in the system and get a formal answer. If we are to agree to the sale. When would you expect exchange and final settlement - Frank

Thu 20 Aug 2026	Thank you Frank and Maya for all this. This is precisely what I need for the solicitor. Can you just lastly advise what months the cafe was only operational for 4 days a week? I know you said it is back running 7 days currently, but with the P&L for the 10 months of last financial year knowing when it the hours were cut down would be helpful. Dave
Thu 20 Aug 2026	Hi Dave, Thanks for checking. On the \$1,050,000 purchase price, we would be thinking a 75% / 25% split between the building and the business, which would be: Building/property: \$787,500 Business: \$262,500 We are flexible on that allocation if there is a reason your solicitor or accountant would prefer a different split. On the GST question, yes, this is an active business asset and the intention has always been for the transaction to be structured on the basis we originally discussed. I'm happy to provide whatever further information your solicitor needs to make sure the contracts correctly reflect that treatment. Regards, Frank Walmsley
Thu 20 Aug 2026	Hi Dave i spoke with the lawyer and confirms they are being sold as going concerns and as such they have marked GST is not applicable on the contract. Kind Regards, Maya
Thu 20 Aug 2026	Thanks Maya, Those financials and receipts will be very helpful for when you can get them over. Our solicitor just came back to me and asked the following: "No price listed between the two contracts" What is the breakdown between Building and Business. -On first go through he isn't seeing that the purchase is GST exempt as originally discussed. Can you provide more information on that. Chat soon, Dave
Fri 14 Aug 2026	Yes it is, still insured. details for the claim - it covered wages, loss of income for the owner as well as rebuilding of the property/damage repairs - the damage was contained to just the floorboards, structurally the property was fine. this was a major storm event, the first in the 20 years that Rea owned the property - 75mm dropped within under an hour, the water was not able to drain fast enough. we have drafted financials up until April 2026, but financials have not been commissioned just yet. Rea will look into the receipts for coffee/milk for you in the next few weeks. Kind Regards, - Maya
Fri 14 Aug 2026	Hi Maya, I've got a couple more questions from my broker regarding the insurance claims. Can you please ask Rea in your meeting today the following? Do you have details / info of the flooding event that happened which resulted in the insurance claim? Is the cafe and unit still currently insured for flooding? Thanks - Dave
Fri 14 Aug 2026	Hi Dave, We are meeting with Rea this afternoon! Will get back to you shortly after this - Maya
Thu 13 Aug 2026	Hi Frank/Maya, Thank you both for your time on the phone this week. As mentioned things are progressing on our end with contracts being looked at by our solicitor and all financials passed through our broker and now with the banks. At top level my wife and I are interested in making an offer pending a few steps: 1. Financials get confirmed okay. 2. Contract comes back okay for our liking. 3. Walk Through of the Venue- We are planning on heading to the area to visit family on the 30th and 31st of this month. To make that offer we do request a few additional pieces of financial information. 1. Coffee and Milk purchase receipts for the past 2 months from suppliers. 2. Financial Statements for the year end 2026. Understanding that this was when the cafe was being operated on the 4 day a week period. Let me know how you go with your chat with Rea

this afternoon - Cheers - Dave

Wed 12 Aug 2026

Hi Dave, Hope you are well. We would like to understand your position to help determine if this is viable for both sides. We want to provide an opportunity for you to indicate how much time you need to be able to make an offer. We can probably allow until Friday for offer and then 2-4 weeks for an exchange to take place at this point. We can negotiate a longer settlement towards the end of the year to allow you time to organise personal matters. Rea is more than happy to provide handover training between exchange and settlement, and we could get her to set up the Airbnb for leasing until you would want to take over so you have some income stream from both aspects of the sale immediately. I have attached a 12 month income breakdown to highlight the biggest income months, January and February being the end of the school holidays and the staff take leave for half the month, and the cafe being closed. Please let us know if you think your are close to understanding your position and what clarity we could take to the seller. Frank Walmsley

Tue 11 Aug 2026

Hi Dave, Thankyou for your time just now :) - Generally speaking we have been apportioning sales to be approximately 70-30 split, 70% being property. This is an approximation and we would need an exact figure to be able to break it down as the accountant has tax implications they consider in this. Please take this number with a 5% variance in mind. In terms of the business the owner has chosen to remain silent on apportionment of good will and assets. - Maya

Tue 11 Aug 2026

he's willing to bring his timeline up and i explained that before summer his best sale months come around. i disclosed that we have asecond buyer who is trying to line up an exchnage but he is still going to continue, discussed apportionement and sent emails as reported here

Tue 11 Aug 2026

Hey Frank. Thanks for the time on the phone earlier and confirming the 825K to 225k asset to goodwill split. I will pass this info on to our broker. I just wanted to give you a heads up on our timeline and what we are thinking. Since our initial conversation my wife and I actively exploring our options with our mortgage broker. Financing won't be an issue, rather we just want to make sure we know exactly where we sit before committing to the next steps and hopefully an offer. We envision to have all documents needed to our broker early next week with answers from them in due course. When those come through and we know where we are sitting we would like to come down and meet Rea and see the property. Moving back to the area from Sydney with two little kids we would be looking at an Early 2027 takeover as our time frame, pending that fits in line with Rea. There would be a few other life nuances to sort out in addition to the cafe and I do expect them to take some time. Let me know if you or Rea have any questions and I appreciate all your help so far in this process. - Dave

Tue 11 Aug 2026

Hi Frank, Thanks for sending these through. I am working through them and have engaged my broker to look at financing for us. Once we get a better idea of how the business loan will sit I'd like to schedule a time to come down and see the cafe and building. Couple questions I'm hoping you can help me with. 1. What's your breakdown of value of the land/buidling vs value of the business? 2. Can you provide a monthly breakdown of wages and sales for the 2025 and 2024 years. 3. When did Rea swtich from a 7 day a week operation to 4 days? 4. Is the AirBNB income shown anywhere and when did that start? Any income from the apartment before that? 5. More detailed summary of item sales over the past 2 years. 6. In 2024 the cafe was shut for 3 months.

	What 3 months was it shut and why was labour higher than previous and post years? 7. Did Rea ever take a wage in any of these financial years? Happy to take a call if you want. Dave
Thu 30 Jul 2026	Spoke with Dave today, he requested photos pf balcny and explanation of the walk way to undertsand who owns what, provided him alot of details. he says that his wife worked with rea at the cafe 15 years ago and they often travel to gunning as her parents still live there. they were very positive - currentlty living in Sydney

Mon 11 May 2026	General Note - Response From Buyer - Spoke with Craig at lengths this evening, he is going through the figures with his accountant at the moment and will forward the financial questions he has shortly. He is a teacher and anticipates that him or his partner will be travelling back and forth a lot. He will fairly involved in the business if they purchase but sees a lot of benefit from having a manager in Tessarna. He was previously an engineer, now primary school teacher for the last 2 years. I have provided to him december 24 vs december 25 to see the difference in 4 day trading. also tessarna letter of recommendation for management. He has asked why the 2024 outgoings were so high, Rea will look into this tomorrow. They love the property, the area, the idea, need to decide if they want to commit. Not committed, but uninterested in his words. They used to live in CBR so are familiar with Gunning. I have let him know that the business is returning to 7 day trading commencing Monday 18th, he is interested to come stay a night and see how busy the town gets (declined the offer of staying for free), he will book privately on his own. - Maya

Mon 31 Aug 2026

Ok. Best for your future! - Frank

Sat 29 Aug 2026

Hi Frank, We are withdrawing from the purchase of the Merino Café Gunning. We received approval from the bank for the sale yesterday, however the bank has significantly reduced the value of both the property and business, and have not offered us the full amount required. They also readjusted the terms previously discussed, which would put us in a vulnerable position if we took up the offer. This is an unfortunate situation, and please send our apologies to the vendor, but the risk of moving forward is too high for us to accept. I wish you the best in finding a buyer, as I still agree there is significant potential in this business, but just not for Mitra and myself at this time. Regards, Simon

Tue 25 Aug 2026

Thank you - Frank

Tue 25 Aug 2026

Hi All, We received an email from the bank late last night. The approval request is still with credit. They have not requested any additional information. I will follow up this evening and request a further update. Regards, Simon

Thu 20 Aug 2026

Hi Maya, We will not be signing today. We are still waiting on the below: 1.Banking Approval. 2.Contamination documentation from Council (as required due to clause request from your seller). 3.Final Property Contract Agreed between both solicitors. Once we have these, we will be ready to proceed. I will inform you once we have all three. Regards,Simon

Thu 20 Aug 2026

Hey Simon, We were expecting an exchange on Monday, it is now Thursday. Are you signing contracts today? Kind Regards, - Maya

Fri 14 Aug 2026

Hi Maya, Currently we have Agreed to the terms for the Contract of Sale for the Business. Georgia and Firmin are working on finalising the terms for the Contract of Sale for the Property. I have not seen the final Contract yet, but I have put forward our position to Georgia. This is aligned to the conversation I had with Frank on Tuesday. The Bank Approval is currently with their credit team. We are expecting confirmation either today or Monday. Mitra has a call with our banker at 4pm today to receive an update. Once these are all Agreed and Approved, we will be ready to sign. We are hoping this will be on Monday. This will be processed through Docusign as we have discussed with our solicitor. Can you also please provide me the bank account details so I am ready to transfer the 5% deposit as soon as this is signed. I assume it is the same as the previous, but please confirm. If there is anything else you need, please let me know. Also, apologise to Frank as I have missed some calls today, but I am in a workshop and only available on email. Regards,- Simon

Fri 14 Aug 2026

Hi Simon, Can you please let us know when you intend to exchange, we are meeting with the seller this afternoon in about an hour and I would like her to be fully informed heading into the weekend. Are you prepared for a Monday exchange and 4 week settlement after that? Have I understood that correctly? Kind Regards, - Maya Zielinski

Mon 20 Jul 2026	General Note - Hi Frank, Reaching out to provide an update and timeline. At this stage, assuming the business loans are approved, a realistic proposed settlement date will be 1st week of September 2026. We should gain approvals over the next two weeks. In parallel, I want to have the contract of sale negotiated between our solicitors. Can you please advise the appropriate way for us to engage. For reference, we have supplied the company details below: Business purchase: BABADUV PTY LTDACN - 700327340ABN - 92700327340 Property purchase: SIBONZ PTY LTDACN - 700166990ABN - 82700166990 We are aiming to signing the contract of sale by 10th August 2026. We are happy to bring the settlement forward as Agreed between both parties. As part of the transition, we would request from the date of exchange the below items: Mitra would work alongside Rhea and staff to coordinate the transition. Mitra will not be paid for this. It will ensure transition is finalised by the date of settlement. Mitra will work with Rhea to understand the requirements for the business so these can be transitioned over in parallel and ensure continuity of business operations. We would request access to the apartment from the date of exchange. This would ensure we could move in over the settlement period and allow Mitra to be onsite as she does the transition. If you have any further questions, please do not hesitate to contact us. Regards, Simon.
