Tue 25 Aug 2026	Ross that's one of the funniest emails I've seen in awhile. I rang you to tell you to not contact us again as you booked an appointment and didn't even bother to turn up to it which is well within my commercial rights. I look forward to the police access Canbrra and whoever else you sent over my way I've got 20 years experience in this. Good luck with your next development application. I will be blocking you. - Frank
Tue 25 Aug 2026	Dear Zielinski and Mr. Walmsley, I will not be reading any further correspondence from you and have not read your correspondence post telephone calls this morning (25 August). I have directed information about our interactions to the ACT real estate agent and auctioneer licensing units. I will also direct information I consider amounting to threats to policing authorities according to standard practice. This provision of information will address all aspects of our interactions. This including the handling of my information (collection, storage and use) by personnel of your entity. This will include the information I have provided to you up until yesterday and subsequently. Further communications to me or mismanagement of my information by personnel associated with you or your entity will be considered a threat with information about such circumstances immediately directed to police as it arises. Yours sincerely, Ross Wacker
Tue 25 Aug 2026	Hi Ross, Given your response to this email we presumed you would be on site with Frank. We won't be pursuing this sale with you further, I have been in meetings this morning but do not have any missed calls. You said you would meet tomorrow (I highlighted it for you so you can see your own confirmation below!). Kind Regards, - Maya
Mon 24 Aug 2026	Hi Maya, Thank you for the additional documentation. I am working through the planning requirements for the potential build. I am also looking at the requirements for management of the property for short-term letting whether on an ongoing basis or an interim arrangement. These are quite separate considerations and the latter having business and commercial considerations. I am hoping that the requirements are clear by the time we meet on Tuesday (tomorrow) at the property. At that point I would be looking to have established a way forward given one or two specific clarifications that may be required. I will see you then. Kind regards, Ross
Wed 19 Aug 2026	Hi Ross, Please see the feasibility and interpretation of subdivision and unit titling to the property at 80 Dalley Cresnt, Latham - Maya
Mon 17 Aug 2026	I have booked Ross for an onsite inspection next week, he has driven by the block and doesn't really care about the inside but would like to understand the shape and back area. He is an investor/developer. Interested in the option to subdivide, have request the planning team to complete a feasibility report for the property. - Maya
Mon 17 Aug 2026	Hi Ross, Thank you for your time on the phone recently, would any time on Tuesday next week suit you for a walktrough? Kind Regards, - Maya
Mon 10 Aug 2026	General Note - Buyer Respond Via Email - Hi Frank, Thanks for the email. In the first

instance, I may only have an interest on the basis of a license agreement. That would be some form of access and occupation to support what may amount to essentially managing the property for short term AirBnb letting or other letting. I will have to get some details on the type of agreement that may be arranged. That would be my primary interest currently and were my interest lies in the first instance. If the owner was amenable to such an arrangement, during my occupancy I could get a better idea of the considerations relevant to buying it. I looked at the block in the first instance as a subdivision opportunity. I would have to look at the details further and will use the occupancy and license time to assess thoroughly. The license approach should not be seen as any commitment to subsequent purchase. I can be contacted on the details below to discuss. - Kind regards, Ross

Enquiry (Buyer) - Enquire about the price - Receive a copy of the contract - Be contacted about similar properties. Hi Frank, re 80 Dalley Crescent. I was looking for a sub division opportunity and leaving the existing dwelling to build another. I am not sure if this block suits. I would also be interested in other investment applications. In regards to license agreement I guess they are saying that one would license from them and then let in some form as rooms or as a whole. I guess there is the attached dwelling for licensee to use to manage or could do entirely off site. If you would like to talk about these alternatives or any others I can be contacted on the details below. Regards, Ross 0499279528.click to edit enquiry comment

Wed 15 Jul 2026	General Note - Buyer Responded Via Email - Hello Frank, whilst I like this property's location and layout, there are too many repairs and renovations required for which I do not have the physical or financial capacity to undertake. Also, I am looking for a private home rather than a money-making investment. Thank you for your time but this one is not suitable for me. Christine Tonge

Sun 14 Jun 2026	I spoke with with Matt and his situation is that he might be really tempted if we offer a six month settlement with \$700 a week rent or maybe even three months but he's going through a divorce and needs a solution pretty quickly. He's looking at four or five properties and if we can offer this, it will be the most attractive option for him.
